Thinking of a Whole Home Efficiency Upgrade? Or Maybe an Appliance Purchase?

THESE ARE YOUR REBATE OPTIONS!

Home Efficiency Rebates (HER)

Why choose HER?

If you want to improve the comfort of your home through whole-home energy efficient upgrades - HER is for you!

What are the benefits of participating in HER?

Home Efficiency Rebates (HER) will help reduce the cost of completing efficiency improvements.

How do I get started?

1. Visit energyrebates.georgia.gov and choose a program-approved contractor who will help you with your home energy assessment
2. The results of the assessment will tell you what home improvements can help your home achieve greater energy savings
3. Apply online to see if you are eligible* for available rebates and incentives to help complete your upgrade

Visit energyrebates.georgia.gov or use the QR code to find out more and get started TODAY!

* Eligibility information can be found at energyrebates.georgia.gov

Home Electrification and Appliance Rebates (HEAR)

Why choose HEAR?

If you want to secure savings on specific appliance purchases and other select upgrades, HEAR is for you!

What are the benefits of participating in HEAR?

Home Electrification and Appliance Rebates (HEAR) can help you with significant discounts on the purchase and/or installation of certain ENERGY STAR® appliances.

How do I get started?

1. Visit energyrebates.georgia.gov to see if you are eligible* for the available HEAR incentives
2. Decide what appliances you want to upgrade based on the list of eligible products
3. Find an approved contractor to assist with installation, or explore options for Do-It-Yourself (DIY) homeowners

Visit energyrebates.georgia.gov or use the QR code to find out more and apply TODAY!
